12 EMO ZODIAC

A POWERFUL SOUL UNFOLDS

The 12 Emo Zodiac is a totemic field of the soul, **where each pattern captures an “inner climate”** — a gentle translation of emotions into visual form. Every totem reflects the temperament of a birth month, weaving between urban rhythm and inner silence, blending astrology, emotional psychology, and **intuitive aesthetics to give feelings a visible, comprehensible shape.**

The project began in the stillness of the pandemic, when Beam returned to her early ritual of drawing mandalas at night. She released the weight of the day, until the drawings became emotional maps—tracing moods, thoughts, and the gravity of the soul. Later, **she reimagined the mandalas into playful figures, layering them with light, symbolism, and memory.**

Evolving from paper to digital totems, the collection has expanded into wearable fashion and livable spaces decor. Each design is not an ornament, but a vessel of daily energy—an intimate companion through moments of heaviness, **reminding us to embrace imperfection, love ourselves, and become whole.**

From drawings to soul projections, from prints to lived experiences, The 12 Emo Zodiac is emerging as a new design language: **one that gives emotion its space and honors the inner self.**

“What I create is not design, but an invitation to pause and feel the moment of your own transformation.

The mission of the 12 Emo Zodiac is not beauty alone, but to give every soul a fabric on which its emotions can be seen.”

12 星情小萌兽

小情绪大人物

《12星情小萌兽》是一片灵魂的图腾场域。每一个图案背后，都是一次“内在气候”的捕捉，将情绪的起伏与心境的波动，温柔地转译成视觉语言。

每一个图腾对应着各自出生月份的情绪气质，在城市的喧嚣与内心的静默之间来回游走，融合星象学、情绪心理学与直觉美学，为情绪提供一个可以被看见、被理解的形状。

这个旅程始于疫情世界静止的那段时光，我重新拾起三十岁出头时的夜晚仪式——下班后绘制曼陀罗，一笔一画，将白日的压抑与心绪，缓缓释放在图案中。这些圆形手绘，不知不觉成为我的情绪地图，记录着情绪的节奏、思绪的涟漪与灵魂的重量。后来，因身边很多朋友们常在情绪中挣扎，我便想将这些曼陀罗转化为调皮的图像送给他们。

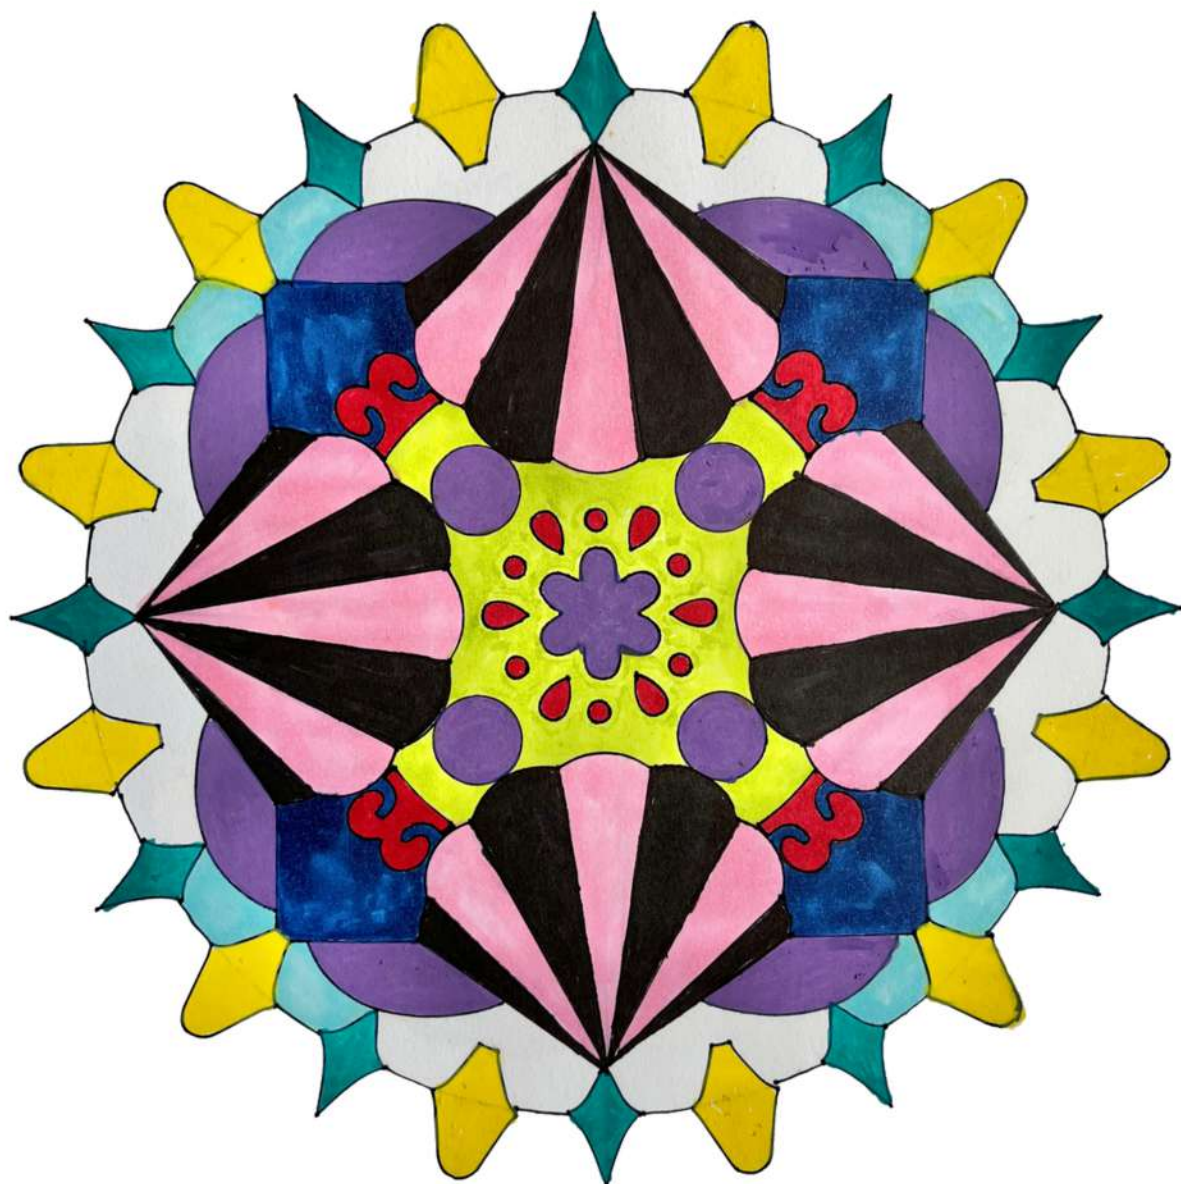

它们逐渐演变为数位图腾，在层层叠叠的光影与隐喻中，承载更多象征与情感。这些情绪图腾被延展到可穿的时尚，不是纯粹的装饰品，而是一种每日随身的能量，温柔陪伴低落时刻。你可以穿上它或是作为空间装饰，静静地生活在它的氛围里，学会接纳不完美的自己，并温柔地爱自己，成为更完整的自己。从纸上的圆圈到灵魂的投影，从艺术印刷到触手可及的体验，《12星情小萌兽》迈向成为一种全新的设计语言：让情绪有空间，让内在被尊重。

“我创作的不是设计，
而是让你愿意停下，感受自己正在转变的那一刻。
《12星情小萌兽》的使命，不是单纯的‘美’，
而是让每一个灵魂，都拥有一块能被看见的情绪之布。”

ABOUT - BEAM KER 宸语

ARCHITECT | ARTIST OF I.P.C

Beam Ker is the founder and creative force behind Inner Pattern Club — a design-led platform where emotions, symbols, and stories are transformed into meaningful visual language. For her, design is more than form—**it's a vessel for empathy and a bridge between inner feeling and outer space.**

Born and raised in Muar, Malaysia, Beam was shaped by a multicultural environment where multiple languages and identities coexisted. This early exposure cultivated her intuitive, emotionally attuned approach to design. After earning her architecture degree in Australia, she went on to live and work across Singapore, Melbourne, and international projects—drawing from **each city's rhythm and cultural depth.**

With over 15 years of experience in architecture and spatial design, Beam blends storytelling, feng shui, cultural symbolism, and intuitive aesthetics into works that **feel both soulful and sensorial.**

She founded her first design studio in Singapore and now continues her journey in Melbourne as a multi-disciplinary architect and artist, **exploring how design can heal, express, and connect.**
